

CALIFORNIA CAMPUS SAFETY PLAN

2017

California State University Fullerton is dedicated to ensuring the University Community's right to a crime free environment through exemplary and professional service. The University Police Department is committed to providing quality service to the University, to facilitate its academic and community service mission.

California State University, Fullerton Police Department prepares this report in compliance with California State Education Code, Chapter 16, of the Donahue Higher Education Act, Section 67380.

AVAILABILITY AND LOCATION OF SECURITY PERSONNEL

The University Police Department provides 24-hour service to protect and render aid to the University community. Students and employees can report all in-progress suspicious or criminal acts, all police, fire, and medical emergencies in person at the University Police Department at 800 N. State College Blvd (corner of N. State College Blvd and Gymnasium Drive), by calling the University Police Department at (657) 278-2515 or 911 in case of emergency. While we encourage all crimes to be reported to the University Police Department, an alternative reporting source for students is the Dean of Students. The Dean of Students can be contacted at (657) 278-3211 and is located in the Titan Student Union room #243.

To Report a Crime:

- Provide your name, telephone number and location
- Give clear and accurate information
- Be prepared to supply suspect and vehicle description, and direction of travel
- DO NOT HANG UP! Follow the instructions of the Dispatcher

We have over 194 emergency blue light phones located across the campus. When the button is pushed, the blue strobe light flashes from the top of the phone tower, the University Police dispatcher is notified immediately and an officer is sent to the location of the telephone. No dialing or conversation is required. If possible, try to describe the emergency to the dispatcher. Any person who needs assistance, sees something suspicious or notices someone who needs assistance should activate a blue light phone that allows the person to speak directly with the University Police dispatcher.

SPECIAL SAFEGUARDS FOR FACILITIES OR ACTIVITIES

Security of and Access to Campus Facilities

All campus facilities are key-accessed and most are open daily for scheduled campus community use. Campus key control and distribution is a function of the University Police Department.

Security Considerations Used in Maintenance of Campus Facilities

University Police is responsible for security of all campus facilities. Personnel perform daily building lock-up of the majority of the campus buildings and monitor all maintenance issues in campus lighting, door locks and general environmental safety in conjunction with Facilities. A few buildings owned and controlled by Associated Students Incorporated and the Auxiliary Services Corporation utilize their own personnel to lock the buildings. Regular inspections and surveys of campus indoor and outdoor lighting, shrubbery and walkways are conducted. The University participates in Crime Prevention through Environmental Design concepts for planning and improvements on campus.

SECURITY AND CRIME PREVENTION PROGRAMS

California State University Fullerton has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students, participating in and presenting information and materials during new employee orientation, and to other campus groups annually. Please click on the following link to our Annual Safety and Fire Security Report and refer to page 29 for a list of prevention program presentations. <http://police.fullerton.edu/documents/ASFSR2016.pdf#page=1>

ACTIONS IN THE LAST 18 MONTHS TO INCREASE SAFETY

1. Purchased 2 new carts for safety escorts. If for any reason a student, faculty or staff member doesn't feel comfortable or safe walking to their destination the University Police Department provides safety escort service across campus, to personal vehicles, or to on campus residence.
2. Completed the first phase of project to change the door lock hardware on classrooms to enable the door to be locked from the inside without a key.
3. Installed surveillance cameras in the Arboretum.
4. Installed an emergency blue pole on the bike path near the west Arboretum gate.
5. Increased lighting along the bike path.

CHANGES IN SAFETY PRECAUTIONS DURING THE NEXT 24 MONTHS

1. Continue with the second phase of project to change the door lock hardware on classrooms to enable the door to be locked from the inside without a key.
2. Purchase or create a safety app for students.
3. Create and release safety vignettes to the campus community.
