

CSUF PD MONTHLY

THE OFFICIAL NEWSLETTER OF
THE CSUF POLICE DEPARTMENT

WHO ARE WE?

Thank you for taking the time to read our first monthly newsletter. We know you have an endless list of information to read, study and keep track of, so we appreciate you spending a few minutes of your time getting to know us better.

The CSUF Police Department is comprised of sworn California Peace Officers, civilian personnel, student workers, interns and our amazing K9 Glock. Yes, we have a dog!

We offer women-only self-defense classes, presentations such as active shooter, Coffee with a Cop each month, and a variety of other programs.

CSUF Police Department handles all lost and found items for the university. We issue keys and police reports, have a dispatch center that is staffed 24/7, and provide campus safety escorts.

We are here for you!

For information on our events, programs and services, please visit us at police.fullerton.edu or on social media.
